

Dear guests,

due to the current situation, the following requirements must be observed when visiting our restaurant:

- Wearing a mouth-nose-protection or equivalent from entering the house until leaving it
- the general hygiene regulations (such as sneezing and coughing, contactless greetings)
- the minimum distance of 1.5 m - always and everywhere
- the contact restrictions, in particular (only contacts from members from a maximum of two households allowed) - two guests per table (no restrictions for members of a household)
- given route description
- the obligation to reserve (please order the food in advance in this context)
- we will collect your personal data just in case to ensure traceability of a possible infection chain (at least the name and e-mail address or telephone number of a guest, whereby the confidentiality of the data is guaranteed - these will be deleted after four weeks)
- notice that the time limit of the stay just takes 30 minutes »Therefore please pre-order the meals when accepting the reservation in order to save time
- avoiding a conversation during the serving or clearing process at the table (necessary conversations are held at a necessary distance)

Thank you for understanding and adhering to our guidelines!

Stay healthy!
